Sarah Bray • Nektarios Tavernarakis - *European Research Council*

Maria do Carmo Fonseca • Fátima Carneiro - *Council of Rectors of Portuguese Universities*

Vincenzo Costigliola • Olga Golubnitschaja - *European Medical Association*

Hugo Critchley • Menno Witter - *Scientific Board of the BIAL Foundation*

Daniel Pipeleers • Peter St. George-Hyslop - *Previous winners of the BIAL Award*

Kamran Abbasi (BMJ) • Eric Rubin (NEJM) - *Scientific Journals*

Who can nominate

- Voting members of the Jury;
- Members of the Scientific Board of the BIAL Foundation;
- Previous BIAL Award winners;
- Scientific Societies in the biomedical field;
- Boards or Deans of Medical Faculties;
- Heads of leading research institutes in the biomedical field;
- Boards or Heads of prestigious Academies;
- In addition, highly qualified researchers may nominate candidate works, but self-nominations are not accepted.

“Nominations may be submitted by an organized group of scientists, such as a university, society, academy, or research institute. The nominating group should not include individuals who contributed to the nominated work. Nominations are welcomed for works authored by scientists at any stage of their career, and from any country around the world.”

Ralph Adolphs
President of the Jury

FUNDAÇÃO

Bial

Institution of public utility

The BIAL Foundation was established in 1994 by BIAL and the Council of Rectors of Portuguese Universities. BIAL Foundation's mission is to foster the scientific study of the human being from both the physical and spiritual perspectives. It is managed by representatives from both institutions.

Among its activities, the Foundation manages awards promoting the research in health sciences and supports scientific research projects in the area of neurosciences.
